**** PROFS note for AANDRADE 21 Jan 1993 11:39 Page 1 of 2

From: UCRETTAZ--VCH0021A Date and time 21.01.93 11:38:35
To: AANDRADE--VCH0021A T.(Anthony)Andrade

From : Ulrich Grettaz
To : Tony ANDRADE
Subject: PROJECT DAUWALDER

Tony,

May I get your comment, if possible until Monday, January 25, on Prof. D.'s draft proposal, alt. on S&T's "Consolidated" opinion.

Thanks and kind regards,

Ulrich

From: Helmut Reif
To: M. ULRICH GRETTAZ
Subject: PROJECT DAUWALDER

DEAR ULRICH,

WE HAD A LITTLE CONFERENCE WITHIN S&T ABOUT THE ABOVE MENTIONED PROJECT AND I WANT TO SHARE WITH YOU THE "CONSOLIDATED" OPINION OF OUR DEPARTMENT:

(1) THE PROJECT COVERS AN AREA WHICH WILL BECOME MORE AND MORE IMPORTANT IN THE FUTURE AND WHERE NOT VERY MUCH HAS BEEN DONE UNTIL NOW. THIS MIGHT EXPLAIN THE SOMETIMES "SOFT" PHRASES IN THE PROJECT OUTLINE.

(2) SOCIAL RESEARCH IS STRONGLY NEEDED TO BACK UP ANY ARGUMENTATION LINE IN FAVOUR OF SMOKING - NOBODY PERFORMS AN ACTIVITY ONLY FOR THE PURPOSE TO MINIMIZE ITS DANGERS. THE REAL DRIVING FORCE IS OBVIOUSLY SOME PLEASURE.

(3) PROF. D. IS FOR SURE ONE OF THE KEY FIGURES IN THE FUTURE DISCUSSIONS TO REVEAL THE HIDDEN MECHANISMS PLAYING BETWEEN CULTURAL ENVIRONMENT, SUPPRESSION, AND TOLERANCE.

(4) AS A CONCLUSION OF (1) TO (3), PROF. D. SHOULD START THE PROJECT AND SHALL KEEP YOU AND US ABREAST OF THE PROGRESS. IN ORDER TO AVOID ANY DISAPPOINTMENT AT THE END (THE RESULTS MIGHT NOT BE DIRECTLY APPLICABLE IN THE STRONG SENSE TO OUR BURNING PROBLEMS) I WOULD PROPOSE THE FOLLOWING STEPS.

- TO BREAK THE PROJECT DOWN INTO SEPARATE CHAPTERS (QUESTIONNAIRE, PROBAND WORK, MODELLING) AND ASK FOR REPORTS ON THE INDIVIDUAL CHAPTERS (A "PROGRESS REPORT"). THIS GIVES US THE POSSIBILITY OF GUIDING HIM TOWARDS OUR NEEDS.
- TO ORGANISE SEVERAL SESSIONS WHERE PROF. D. HAS TO FILL YOU AND US (THE LAYMEN, WITH THE EXCEPTION OF MITCH) IN AND WHERE WE COULD SHOW HIM BY OUR QUESTIONS A CERTAIN DIRECTION.
- TO MAKE A SORT OF LEASING ARRANGEMENT FOR THE EQUIPMENT BY INSERTING A PASSUS IN THE CONTRACT THAT THE EQUIPMENT REMAINS OUR PROPERTY UNTIL IT HAS BEEN USED FOR MORE THAN "XXX" HOURS FOR OUR PROJECT. THEN IT IS PAID BACK BY WORKING HOURS. THIS IS SOMETIMES EASIER FOR INSTITUTES THAN TO ACCEPT HARDWARE AS SUCH FROM THE INDUSTRY.

REGARDS,
HELMUT
